LINDEN HONEY
CORTE DEL TIPICO

PRODUCT DESCRIPTION

A clear, aromatic honey of medium intensity. It crystallises very slowly. Particularly persistent flavour.

PRODUCTION

The honey is extracted in our laboratory using the cold-extraction method. The product does not therefore undergo any alteration and maintains all its physical and organoleptic characteristics intact, guaranteeing high quality.

COUNTRY OF ORIGIN

Italy

PAIRINGS

- Ideal for sweetening balsamic herbal or linden teas
- Cheese

SIZES

250 g (pack of 12 pieces)

EAN CODE

8025966002587

Due to natural factors, honey can crystallize over time. This product is unpasteurized and not suitable for children under 12 months.
