

EUCALYPTUS HONEY

CORTE DEL TIPICO

PRODUCT DESCRIPTION

A particularly aromatic, thick honey with a flavour reminiscent of liquorice sweets. Suitable for treating coughs, colds and inflammations of the respiratory tract in general.

PRODUCTION

The honey is extracted in our laboratory using the cold-extraction method. The product does not therefore undergo any alteration and maintains all its physical and organoleptic characteristics intact, guaranteeing high quality.

COUNTRY OF ORIGIN

Italy

PAIRINGS

- Ideal for sweetening black or herbal teas with a strong flavour.
- Non-fatty or very mature cheeses.

SIZES

250 g (pack of 12 pieces)

The crystallisation of honey is an entirely natural process.

This product is unpasteurized and not suitable for children under 12 months.
